

My child needs help with reading and spelling!

Precision Teaching

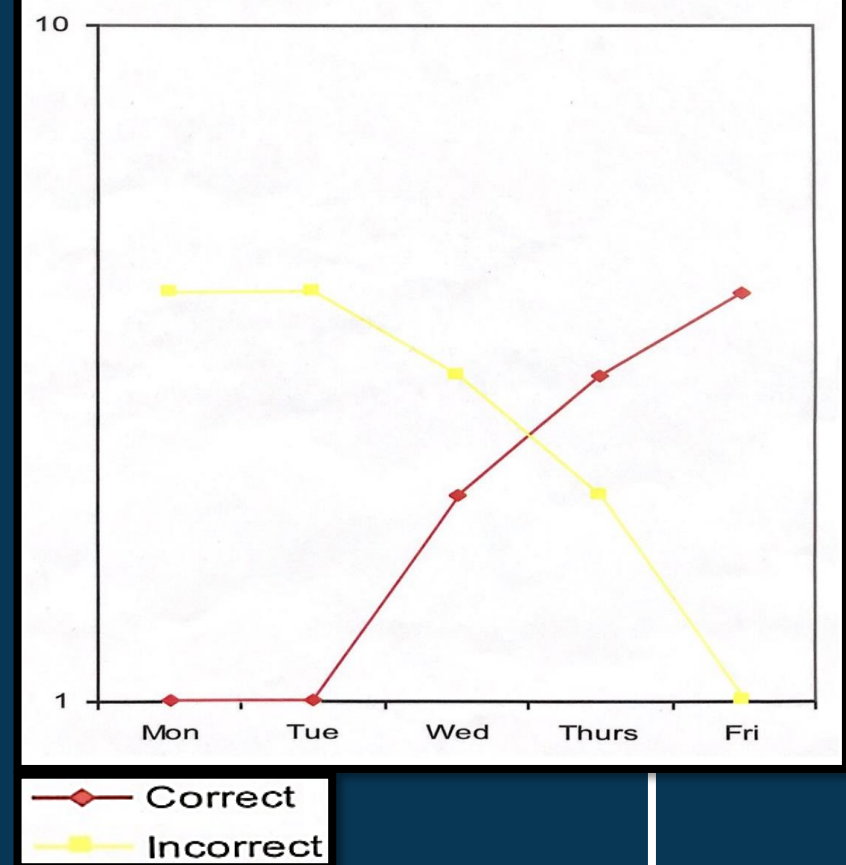

1. Do an initial assessment (identify missing skills).
2. Set a specific learning target.
3. Teach the skill daily for 8 mins in a fun & engaging manner.
4. Test the skill using a probe sheet for 1 min.
5. Record correct and incorrect answers on a record chart.
6. Repeat steps with a new learning target/ make changes based on the 3- & 8- day rules!

(probe sheet)

they	said	when	they	are
------	------	------	------	-----

(record chart)

	Mon	Tue	Wed	Thurs	Fri
Correct ☺	1	1	2	3	4
Incorrect ☹	4	4	3	2	1
